

What is Demi-Pair?

A Demi-Pair is a full-time student and part-time Au-Pair with Permission to Work Visa. Studying at Discover English and working part time as a Demi-Pair, you will have a genuine immersion in Australian culture. It will help to improve your English, and you will have the support and company of the family hosting you. You might enter in a lifelong bonding relationship with your hosting family. You will receive free accommodation and meals in exchange for 15 hours per week work (balance of household & childcare to be agreed with the family).

Do I qualify?

Formally there is no qualification requirement; however it is common practice that anyone working with children should have paediatric first aid. A Working with Children Check is required and can only be obtained personally in Australia.

Some families will have a preference for someone who has already had prior experience with children, other families might not require prior experience, as long as they see your profile as a good match for their families.

You should be able to communicate with the family, be able to make a phone call to the parents if required, and of course understand what the children are saying. We believe you need at least an intermediate English level.

How much does it cost?

The Demi-Pair placement fee* is \$850.
