

## Working at Discover English

We welcome inquiries from qualified teachers. We are especially interested in teachers who are available for last minute emergency shifts and casual relief teaching. From time to time we may also have on going positions to fill.

All teachers at Discover English must meet the minimum qualification standards as specified by NEAS and listed below.

1. A degree or equivalent plus recognised TESOL qualification

or

2. A degree of equivalent plus teaching qualification with TESOL method

or

3. A degree in education or teaching with TESOL method.

For further information, or to check your qualification status go to [www.neas.org.au](http://www.neas.org.au)  
We prefer teachers who have some EAL experience. However, all teachers regardless of experience need to be committed to their teaching practice and a genuine level of care for our students. We require teachers to produce professional, well planned and engaging lessons on a daily basis.
